

BEYOND LIMITS, BEYOND INFINITY

AVANCE
SERIES 27" QHD FAST IPS

Instant Response for Unparalleled Gaming

Journey through the cosmos of gaming like never before with the **Avance Series 27" QHD Fast IPS Gaming Monitor** and its exceptional **refresh rate of 180Hz**. This ultra-high refresh rate ensures that each frame transitions seamlessly, providing a level of fluidity that is crucial for fast-paced action in games. Combined with an impressive response time of 1ms (GTG), ghosting and motion blur become a thing of the past. Swift and precise, the Avance Series 27" QHD Fast IPS responds to your every move instantaneously, offering a competitive edge that can make all the difference in intense gaming scenarios.

180 Hz

16:9

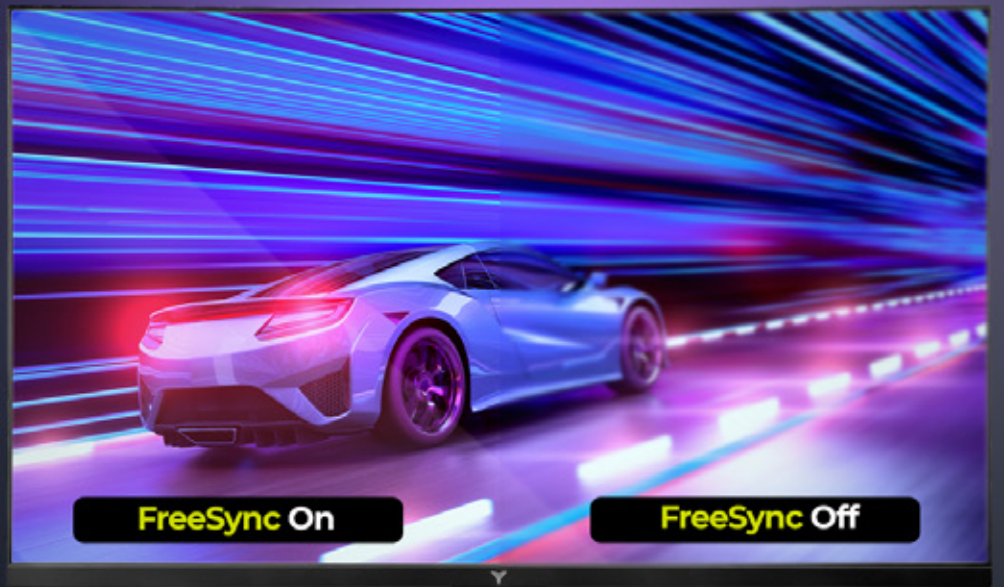

Visual Brilliance in Every Detail

Boasting 27-inch the **Avance Series 27" QHD Fast IPS Gaming Monitor** provides an immersive canvas for your digital adventures. **The 16:9 aspect ratio** ensures a wide and cinematic viewing experience, making it perfect for both gaming and multimedia content. With a stunning **resolution of 2560x1440**, every detail is rendered with crisp clarity, enhancing the overall visual fidelity of your favorite games and projects. **The Avance Series 27" QHD Fast IPS incorporates Fast IPS panel technology**, combining swift response times with vibrant color reproduction, delivering a visual feast for your senses.

Fluid Graphics, Tear-Free Gameplay

Enjoy smooth, tear-free gameplay with **Freesync Support and G-sync Compatibility**, ensuring seamless synchronization between your graphics card and monitor. The monitor is proudly certified with **Freesync**, delivering enhanced color accuracy and dynamic refresh rates. This certification guarantees a premium gaming experience, minimizing input lag and screen tearing, while maximizing the monitor's responsiveness to your every move.
