GEFORCE RTX 4090: BEYOND FAST

The NVIDIA® GeForce RTX™ 4090 is the ultimate GeForce GPU. It brings an enormous leap in performance, efficiency, and AI-powered graphics. It's powered by the NVIDIA Ada Lovelace architecture and comes with 24 GB of G6X memory to deliver the ultimate experience for gamers and creators.

Up to 4x Performance

Cosmic Design, Cooling Excellence

Unleashing style and cooling prowess, the **Mirage X 795DC-4901U** stands tall within the magnificent **Mirage X full-tower chassis**. Defined by its **aerodynamic front panel design**, this gaming PC ensures superior airflow, sustaining peak performance for both intense gaming sessions and demanding creative exploits. The **customized tempered glass** design transforms your gaming rig into an awe-inspiring art installation, radiating brilliance and symbolizing your unwavering commitment to excellence. Enhancing the experience further, a robust cooling system, comprising a **360mm AIO and seven captivating ARGB fans**, not only maintains optimal temperatures but also transforms your gaming setup into a luminous canvas for creative expression.

Swift Multitasking Odyssey

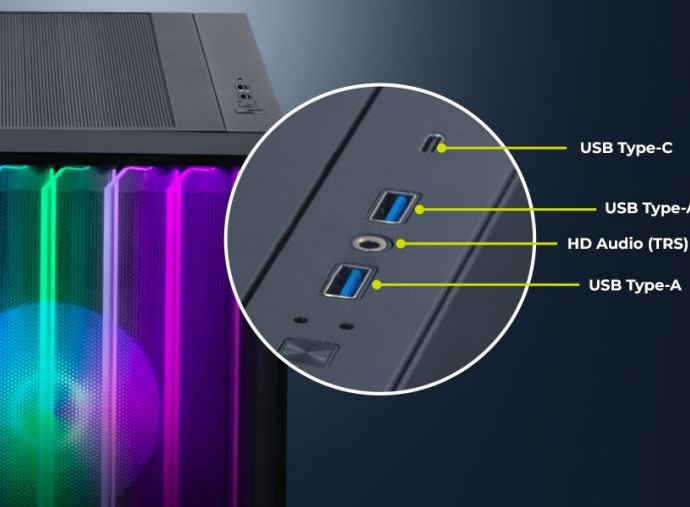

Fueled by **32GB of DDR5 6000MHz RAM RGB**, the **Mirage X 795DC-4901U** transcends ordinary gaming, offering a seamless and responsive experience for both gamers and content creators. This gaming PC is equipped with a colossal **2TB NVMe Gen. 4 storage**, delivering lightning-fast data access and providing ample space for your expansive gaming library. Let the **Mirage X 795DC-4901U** be the epicenter of your digital universe, ensuring swift multitasking and immersive storage capabilities.

Cable Choreography

Partake in the art of cable management. The **Mirage X 795DC-4901U** introduces a customized routing and cover design, turning cable chaos into a harmonious display. Your build isn't just efficient; it's a work of art.

Cable cover design

Connect with Speed

Experience seamless connectivity and lightning-fast data transfer speeds with the **Mirage X 795DC-4901U**. Equipped with USB Type-A and Type-C ports, including USB 3.2 Gen 1 and Gen 2x2, you can easily connect your peripherals and devices with ease. The **Mirage X 795DC-4901U** provides the versatility and performance you need for a smooth and efficient gaming experience, accommodating all your connectivity needs.

Platinum Command

Empower your creativity and gaming with **Mirage X 795DC-4901U**, boasting a commanding **1000W 80 Plus Platinum power supply**, ensuring a stable and efficient energy flow that forms the backbone of your digital activities. The **80 Plus Platinum efficiency** not only enhances overall system performance but also stands as a testament to your commitment to excellence.

With Windows 11 the perfect setup awaits you

It has easy-to-use tools that can help you optimize screen space and maximize your productivity as well as captivating gaming experiences and stunning visuals.
