controller

USB charger

BLUETOOTH REMOTE & USB POWERED

Smartphone selfie photo/video can be easily accommodated with wireless remote shutter that is compatible with IOS/Android phones. 6.5' USB power cable comes with tethered light controller and offers convenience of use through USB charger, power bank, PC, laptop or AC adapter

ADJUSTABLE TRIPOD STAND

Height-adjustable 3 section floor stand with 2 locking knobs to setup desired height of your preference. Extends between 15" and 60" to meet the needs of most scenes. Aluminum alloy construction with a standard $\frac{1}{4}$ -20 screw mount on the top

INCREASE BRIGHTNESS

The 162 high-quality LED bulbs performance make the ring light increase brightness by over 30% over the 10" Ring Light.

It makes it possible to illuminate much larger spaces, enhancing your image.

It'll light you up well even in the darkest space, and with the 3 light modes and 10 brightness levels, you'll quickly find a good lighting setup.

GENTLE AND BRIGHT LIGHT

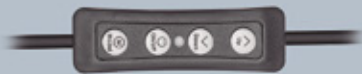

Large 12" light ring creates the perfect lighting to remove harsh shadows on your face providing the perfect illumination for a natural image and greater professionalism. The perfect equipment for selfies, makeup, live streaming, photography, Youtube video recording, photography, vlog, etc.
